Story Time Reinvented!

Starting in January, we will be reinventing Story Time! We wanted to make an effort to reach a wide variety of young readers, so we have created a special story time to fit everyone's personality! We will still have traditional Story Time every Wednesday morning at 10:00AM, but the afternoons will be all new fun at 4:00PM! Registration is not required.

The first Wednesday of every month will be the *Epecially for Me Story Time* for kids with special needs. Parents / Caregivers are encouraged to fill out a short survey to let us know how we can make this story time experience pleasant for your child.

The second Wednesday of each month will be *Language Linguistics* where we will learn a different foreign language every month. We will have a guest come to teach us how to say words, phrases and numbers. You will also get a handout so you can keep practicing at home!

The third week of each month will be *Imagination Station*. We will revisit the classic fairy tales and nursery rhymes and use our imagination to bring ideas to life!

The fourth week of each month is *Touch A Truck* time! This is your chance to get up close and personal with some big equipment! We will read some stories about big machines and have a chance to create your own mini machine!

Jan. 4th at Especially for Me we will learn about Birds.

Jan. 11th at Language Linguistics we will learn German with Heidi Estabrook.

Jan. 18th at Imagination Station we will explore a Winter Wonderland!

Jan 25th at Touch A Truck we will read about, create and get to see up close a Snow Plow!
