

News Release:

The Jacksonville Public Library Board of Trustees has made the difficult decision to close the library effective immediately, in an attempt to prevent the spread of the Coronavirus.

Any library materials currently checked out will be extended while the library is closed and no late fees will accrue while the library is closed.

The library will be monitoring local, state and federal health officials' directives and advice. We will re-evaluate whether to reopen the library on Monday, March 30, 2020. All activities, including library programs, are cancelled from now until March 30, with the hope of rescheduling programs at a later date.

Any questions may be directed to the library by calling 217-243-5435 during normal business hours (9 a.m.-5 p.m.).

Any updates will be posted to our website at www.jaxpl.org and Facebook page.

Thank you,

Chris Ashmore
